

Mohamed Sharshar

Laravel Backend Developer

Email: mohamedsharshar624@gmail.com | Phone: +20 100 383 1471

Professional Summary

Backend Developer specializing in PHP and Laravel, delivering scalable HRMS, payroll, e-commerce, and SaaS platforms with multi-tenancy, RESTful APIs, and AI-powered automation. Focused on clean architecture and building reliable, high-quality systems that support complex business needs.

Core Skills

- PHP
- Laravel
- RESTful API Design (JSON)
- MySQL & Database Design
- Query Optimization
- Third-Party API & Service Integration
- AI Integration (e.g., n8n automation workflows)
- Git & Version Control
- Agile Basics / Teamwork
- Problem Solving & Debugging

Work Experience

Backend Developer | Horizon IT – Satellite Services | Nov 2025 – Present

- Building smart digital solutions for GIS, satellite services, and remote sensing projects using modern web technologies.

Backend Developer | PureSoft | Jul 2025 – Dec 2025

- Designed and developed websites, mobile applications, and custom business systems, including POS solutions, for clients across various industries.

Projects

CoreWise — Graduation Project | MNU | Jan 2026 – Present

- Architected a multi-tenant HR & payroll platform for the MENA region with 52 models, 5-tier RBAC, and full Arabic/English/French localization.
- Integrated 8 n8n AI automation workflows (AI-powered ATS, RAG-based HR chatbot) and built real-time chat, Kanban tracking, GPS-based attendance, and a 16+ endpoint mobile API.

Taqawi | Horizon IT - Satellite Services | Dec 2025

- Architected a three-tier bilingual platform: a Laravel 12 REST API, a React 19 public site, and a Next.js 16 admin dashboard.

- Built 10 client-facing pages and 24 controllers for investor relations, financial documents, and content management, with RBAC and interactive Chart.js analytics dashboards.

Anany Audit & Assurance Office | Horizon IT - Satellite Services | Nov 2025

- Architected a bilingual corporate CMS using the Repository-Service pattern across 23 models with role-based access control.
- Built a dual public/admin REST API integrated with Meilisearch search, automated email notifications, and a real-time admin analytics dashboard.

Fsoal (Fosool) – EdTech Platform | PureSoft | Oct 2025

- Designed a modular monolith with 16 modules, 85+ models, and 190+ migrations for a bilingual teacher-student learning platform.
- Built 4 role-based Filament admin panels with class booking, an auto-graded quiz engine, and gamification, plus live video via BigBlueButton, Telr payments, and a Laravel Passport mobile API.

Afaq Store | PureSoft | Aug 2025

- Built a modular e-commerce platform (13 modules, 40 models) with a 30+ endpoint RESTful API secured via OAuth2.
- Implemented a 20-resource Filament admin panel and integrated OneSignal push notifications and BigBlueButton.

Education & Training

- Bachelor's Degree, Faculty of Computers and Artificial Intelligence, Menoufia National University 2026

Certifications & Training

- Building Web Applications using PHP & MySQL, Mahara-Tech (ITI Platform), Jan 2026
- Python Programming Basics, Mahara-Tech AI Academy (ITI Platform), Jan 2026
- PHP Essential Training, LinkedIn Learning, Jun 2025
- Digital Egypt Pioneers Program (DEPI) – AI & Data Science: Microsoft Machine Learning Engineer Track (159 hours), Ministry of Communications and Information Technology of Egypt, Apr – Oct 2024
- DEPI Star – Business English Track, Berlitz Egypt, Apr – Oct 2024
- Data Analytics & Machine Learning Workshop, Google Developer Student Clubs – Cairo University (FCAI), Apr – Jul 2024
- Web Design – Digital Egypt Youth Program, National Telecommunication Institute (NTI), 120 hours, Score 99%, Oct – Dec 2023
- HTML, CSS, and JavaScript for Web Developers, Johns Hopkins University (Coursera), Oct 2023

Awards & Achievements

- Participant, DIGITOPIA Competition – Software & AI Track, Phase 2 of Round 1 (2025), Ministry of Communications and Information Technology of Egypt

- Galactic Problem Solver & Galactic Team ("Terra stars") – NASA International Space Apps Challenge, Oct 2024

Languages

- Arabic: Native
- English: Business English (Berlitz Egypt - DEPI Star Certified – B2)
